MPS is the comprehensive solution to your funding needs. From the MPS Funding Guide (a directory of over 332 sources of project support), to our grant research, writing and reporting resources and in-country workshops – we’ve been teaching Catholic missionaries to fundraise since 1974.

About Us
MPS was founded in 1974 by Fr. George Cotter, MM, to provide a link between developing world missionaries’ needs and funders in Europe and the US. The first MPS Funding Guide (formerly known as Agencies) was published in 1982. Since that time MPS has continued to publish updated versions of the directory, in addition to providing formal grant research and writing workshops on every continent.
